### AUTOMOBILE CARNIVAL.

(Continued from page six.)

Ford car automobiles. One shipment  
that left the Ford factory was made  
up of sixty freight cars, containing  
350 Ford automobiles, this seems to  
indicate that the Ford is a mighty  
popular car. The new 1913 models  
are beauties. The display will be  
mightily instructive to the visitor.

The exhibit at the Buick salesrooms  
during carnival week will certainly  
please and interest. Five models will  
be shown, some in two coors. There will  
be one stripped chassis to display the  
operation of the motor. The sales-  
rooms are so handsomely decorated  
and visitors will be taken to any ex-  
hibit or to the Mt. Vernon station in  
the cars which Mr. R. H. Martin, man-  
ager of the Buick branch will have  
ready.

H. B. Leary, Jr., will have a fine ex-  
hibit during the carnival. This is the  
first time that the Mitchell line of  
cars has been exhibited in Washington.  
As there is a Mitchell owned in Alex-  
andria it will be of interest to see the  
new models. Mrs. Hill has a Mitchell  
6 and Harrison Kirk of this city owns  
a Rambler purchased of Mr. Leary.  
The well-known Chalmers is to be  
well displayed at the Zell Motor Car  
Company's salesrooms on H street.  
A fine parts display will make plain  
the operation of new features connect-  
ed with the new Chalmers car of 1913  
model.

### THE TEST THAT TELLS.

Is The Test of Time. Many Alexan-  
dria People Have Made This Test.

Years ago this Alexandria citizen  
told in a public statement the benefit  
derived from Doan's Kidney Pills.

The statement is now confirmed—the  
testimony complete. Instances like  
this are numerous. They doubly  
prove the merit of Doan's Kidney  
Pills. Can any Alexandria reader de-  
mand more convincing proof? It's  
Alexandria testimony—it may be in-  
vestigated.

Mrs. Anine Scott, 110 Prince Street,  
strong friend to Doan's Kidney Pills  
Alexandria, Va., says: "I am the same  
today, as I was in 1910 when I pub-  
licly told of the cure they had made for  
me. This cure has been lasting, but I  
occasionally use Doan's Kidney Pills  
as a preventive. I had pains in my  
back and I could not rest well. In  
the morning I always felt tired and  
worn out, and I also had dizzy spells.  
Doan's Kidney Pills did such good  
world that it is a pleasure to recom-  
mend them to other kidney sufferers."  
For sale by all dealers. Price 50  
cents. Foster-Milburn Co., Buffalo,  
N. Y., sole agents for the United  
States.

Remember the name—Doan's and  
take no other.

### WASHINGTON LETTER.

Washington, Feb. 10.—Representa-  
tive Hay, chairman of the House Com-  
mittee on Military Affairs, has re-  
ported to the House the bill intro-  
duced by Representative Carlin early  
in the present congress to protect the  
monuments already on the battlefields  
of Bull Run and any other monu-  
ments that may be thereon erected.  
The bill, as it is reported to the house  
from the military committee directs  
the secretary of war to inquire into  
the practicability of purchasing the  
land upon which the aforesaid monu-  
ments stand, the advisability of  
making the purchase thereof and the  
price which will have to be paid for  
this ground.

In the month of June, 1865, United  
States troops belonging to the De-  
partment at Washington, took pos-  
session of certain lands on the battle-  
fields of Bull Run and erected two  
monuments and dedicated them to the  
memory of the patriots who fell  
July 21, 1861 and August 28, 1862, in  
the battles known as the first and sec-  
ond Bull Run. These monuments  
still stand on private property, the  
title to which has never been acquir-  
ed by the United States. Many mili-  
tary organizations which took part in  
these battles desire to commemorate  
the same and are anxious to have the  
government purchase the ground upon  
which these monuments are erected  
and it was for this purpose that Rep-  
resentative Carlin introduced the bill.

Representative Carlin has introduc-  
ed a bill in the House of Representa-  
tives for the relief of the heirs of  
Frederick A. Holden, deceased. The  
bills to pay to these heirs the sum of  
\$5,139 for the occupation and destruc-  
tion of the house and furniture of  
Holden, situated in the town of Cere-  
do, Wayne county, Va., now West-  
Virginia, by the military authorities  
of the United States during the Civil  
war.

### MEXICO AGAIN IN FERMENT.

Sanguinary Scenes in Capital City—  
Two Hundred Persons Killed.

Following a day of bloodshed in  
Mexico City, in which 200 persons  
were killed and 500 others wounded,  
the fate of Mexico under President  
Francisco I. Madero is trembling in  
the balance.

A large part of the federal troops  
revolted, released Gen. Felix Diaz,  
nephew of the former President, and  
Gen. Bernard Reyes (another Diaz  
adherent, who had been confined in  
Belem prison since last December, and  
with these two popular idols at their  
head, descended upon the national pal-  
ace.

President Madero forewarned of  
the movement hastily summoned those  
troops who had remained loyal to him,  
and, with the aid of the machine guns,  
met the insurgents in front of the  
palace. For more than four hours the  
Zocalo, the plaza which faces the pal-  
ace, was the scene of fearful carnage,  
soldiers and spectators alike being  
shot down by the bullets of the oppo-  
sing forces. It is reported that Reyes  
was shot through the head during the  
fighting.

Ambassador Wilson, in a dispatch  
received at the State Department af-  
ter midnight this morning, reported  
that it is rumored in Mexico City that  
the Federal arsenal has surrendered to  
Gen. Felix Diaz. The police artillery  
and rurales from Tacubaya have de-  
clined for Diaz, and that the troops in  
the National Palace are the only for-  
ces in Mexico City still loyal to Presi-  
dent Madero.

The Ambassador stated that Gen.  
Banquet and Angeles are reported to  
be coming to the rescue of Madero  
with troops from Toluca and Cuernav-  
aca, but that it is impossible to ob-  
tain accurate details of what has hap-  
pened.

Not less than \$400,000,000 has been  
lost by Americans in Mexico since Ma-  
dero captured Juarez according to con-  
servative estimates. No account is  
taken of the tremendous damage to  
the National Railways of Mexico,  
which it was necessary practically to  
rebuild between Chihuahua and Juarez  
at least three times. Estimates  
place the value of American property  
in Mexico at the beginning of the Ma-  
dero administration at not less than  
\$800,000,000. Two thirds of that is  
gone and it is declared—and Mex-  
ico is no nearer peace than it was two  
years ago. All business has been dead  
for months and banks have closed  
down on all except a few old borrow-  
ers. Legitimate business is unable to  
get money necessary to guarantee a  
continuance, and trade is stagnated in  
every part of the republic.

### GIRLS DEFEAT MANASSAS.

High School Girls. Win Basketball  
Game by Score of 13 to 7.

In the biggest game of the season,  
the A. H. S. girls' basketball team de-  
feated their opponents, the Manassas  
High School, on the later's floor Fri-  
day night. The score, 13 to 7, indi-  
cates that he game was very inter-  
esting throughout. The game was  
played in two halves, the first ending  
9 to 7 in favor of Alexandria, the  
final score being 13 to 7. The game  
was interesting throughout on both  
sides, but the excellent team work of  
the A. H. S. girls prevailed, particu-  
larly the keen goal throwing of Miss  
Lucile Dierelt, who made several  
baskets from some of the hardest po-  
sitions on the floor. The refereeing  
of Miss Boswell was very satisfactory  
as was the work of the other officials.

The line up and score of Manassas  
and Alexandria are as follows:

A. H. S.  
Miss Plaskett ..... S. C.  
Misses Blake and Dienelt ..... F.  
Misses Martin and Sims... Guards  
Miss Reardon ..... Center.  
Manassas H. S.  
Miss Metz ..... S. C.  
Misses Hayden and Rexrode .... F.  
Misses Leamon and Horndon .... G  
Miss Hayden ..... C.  
Referee, Miss Boswell, Umpire,  
Miss Round. Goals, Miss Dienelt, 3;  
Miss Blake, (2); Miss Hayden, (2);  
free tosses, Miss Dienelt (3); Miss  
Hayden, (3).

### RICHMOND BOY OWNS UP.

Admits he is Percy Riddick and That  
He Gave Wrong Name.

Baltimore, Feb. 10.—After baffling  
the police for four days in their effort  
to establish his identity, a 16-year-  
old wanderer, who gave his name as  
Charles Kent, confessed to his right  
name and home to Brother Paul, di-  
rector of St. Mary's Industrial School  
last night.

"My name is not Charles Kent," he  
old Brother Paul, "but my right name  
is Percy Riddick, and my home is at  
Twenty-seventh and Marshall streets  
Richmond, Va., where my parents  
live."

Three days ago—on Friday—the  
boy, who was known as Kent, stood  
before Justice Saylor, at the Western  
Police station, and said that his name  
was Charles Kent that his mother and  
father were dead.

According to information from Rich-  
mond and by the confession of the boy,  
Riddick's parents are not dead. On  
the contrary they have been searching  
the Middle Atlantic States for their  
runaway son.

The boy received a good education  
at St. Patrick's High School in  
Richmond. Last Thursday night  
Patrolman Beltz, of the Western dis-  
trict, found him almost unconscious  
from the cold. He was without a vest  
or an overcoat and told the police-  
man that he had arrived in Baltimore  
on a freight train.

The thermometer was in the twen-  
ties and Beltz quickly sent the boy to  
the Western Police Station. Round  
Sergeant Leverton immediately or-  
dered a warm meal for him. He ate  
ravenously and told the police that it  
was the first meal that he had for  
two days.

Marshal Farnan will be notified of  
the boy's identity. He will commu-  
nicate with Richmond.

### DAUGHTER RESCUES FATHER.

Pounds Head of Rabid Dog With Stone  
After Parent is Bitten.

Roanoke, Feb. 10.—Mr. M. D. Al-  
tic, of Black Rock, Franklin county,  
arrived in the city Saturday afternoon  
from Richmond, where he has been for  
the past three weeks taking the Pas-  
teur-treatment for bites by a dog af-  
flicted with hydrophobia. Mr. Altic  
is visiting his daughter, Mrs. N.  
E. Sparks, of 203 Eleventh street, S.  
E.

He relates a most interesting story  
of the bravery of his daughter, Miss  
Mecia Altic, who killed the dog with  
a rock while the father, after being  
stripped of his clothes and badly bit-  
ten at several places on his body, had  
caught the brute and was holding him.

Mr. Altic was in his barnyard look-  
ing after his stock when the dog which  
was a very large one, attacked him.  
A terrible struggle ensued between  
the man and the rabid beast. He  
finally succeeded in getting a firm  
hold on the dog's throat. Miss Altic  
ran to her father's assistance and with  
a rock pounded the brute's head into  
a jelly. Mr. Altic was bitten on Janu-  
ary 11th. He immediately went to  
Rocky Mount, where he was advised  
to go to Richmond for treatment. The  
dog's head was shipped to Richmond  
for examination and was pronounced  
as being a genuine case of hydro-  
phobia.
